

SIMATIC IPC277E (Nanopanel PC); 9" Touch TFT; 2x 10/100/1000 Mbps Ethernet RJ45; 1x display port graphic; 1x USB 3.0; 2x USB 2.0; 1x serial (COM 1); CFast slot; 24 V DC power supply Celeron N2807 (2C/2T) 4 GB RAM; Windows 10 IoT Enterprise LTSB 2016, 64 bit, MUI (en,de,fr,it,es) 256 GB Eco SSD; without SIMATIC software

General information																																					
Product type designation	IPC277E																																				
Display																																					
Design of display	9" TFT touch																																				
Screen diagonal	9 in																																				
Resolution (pixels)																																					
• Horizontal image resolution	800 pixel																																				
• Vertical image resolution	480 pixel																																				
Backlighting																																					
• MTBF backlighting (at 25 °C)	80 000 h																																				
Control elements																																					
Touch operation																																					
• Design as touch screen	Yes; analog, resistive																																				
Installation type/mounting																																					
central design	Yes																																				
Mounting in portrait format possible	Yes																																				
Power loss																																					
In full configuration	29 W																																				
Dimensions																																					
Width of the housing front	274 mm																																				
Height of housing front	190 mm																																				
Mounting cutout, width	251 mm																																				
Mounting cutout, height	166 mm																																				
mounting depth	77 mm																																				
Weights																																					
Weight, approx.	1.95 kg																																				
Classifications
